### **WeGo to implement enhanced service plan as Nashville begins to reopen** *Due to social distancing and ridership needs, agency adjusts service*

**NASHVILLE** – Starting Sunday, May 31, WeGo Public Transit will begin operating an enhanced service plan in anticipation of increased ridership due to the gradual reopening of Nashville's economy.

Service modifications were implemented in late March to more effectively respond to the Metro Public Health Department's Safer at Home Order while still providing essential transportation service for Nashvillians. Those changes, like the enhanced service plan beginning next week, were created in partnership with Amalgamated Transit Union Local 1235 leadership to ensure service could best balance the ongoing transportation needs of customers and the continued health and safety of bus operators.

#### **WeGo Saturday+ Enhanced Service**

The new plan, building upon the Saturday+ scenario, features additional frequency on the following routes to allow for proper social and physical distancing:

- 8 8<sup>th</sup> Ave South
- 18 Airport
- 23 Dickerson Pike
- 50 Charlotte Pike
- 76 Madison

It will also feature overall enhanced frequency and additional trips from Downtown to the mid-point of each route, operating every 10-15 minutes between 6 a.m. and 6 p.m. on the following routes:

- 22 Bordeaux – additional trips to and from Central and Clarksville & 25th.
- 52 Nolensville Pike – additional trips to and from Central and Walmart.
- 55 Murfreesboro Pike – additional trips to and from Central and Thompson Lane. Buses for these additional trips will depart from Bay 17.
- 56 Gallatin Pike – additional trips to and from Central and Madison Library. Buses for these additional trips will depart from Bay 14.

All remaining bus routes not mentioned above will continue to operate on the Saturday+ schedule put into effect on March 30. Riverfront Station will reopen on Monday, June 1 for WeGo Star passengers.

Additional service updates include stop consolidation along routes 3 West End/White Bridge, 5 West End/Bellevue, and 7 Hillsboro. This consolidation will see some stops eliminated while others are expanded with additional or new bus shelters, which have been recently installed.

An overview of the new plan can now be found at [WeGoTransit.com](http://WeGoTransit.com) and individual route schedules will be available online on Friday, May 29. Members of the public are encouraged to sign up for WeGo's newsletter, follow them on social media, and visit [WeGoTransit.com](http://WeGoTransit.com) for continuous updates.
