

# Proposed Route 79 Skyline

WeGo Public Transit is proposing a new Route 79 Skyline, connecting Gallatin Pike and Dickerson Pike. Current Route 76 Madison riders will be able to connect to Dickerson Pike without transferring.

- The proposed Route 79 will operate in two directions from Madison Station (Route 56 Gallatin Pike) along Gallatin Pike to Due West Boulevard, to Briarville Road and Briley Parkway to the Dickerson Pike Walmart (Route 23 Dickerson Pike), and Skyline Medical Center, continuing up Dickerson Pike, and turning around south of Old Hickory Boulevard.
- At Madison Station Route 79 Skyline continues as Route 76 Madison via East Old Hickory Boulevard and Forest Park Road.
- Route 76 Madison night and weekend service hours will be extended. Route 79 Skyline will operate during the day on weekdays and Saturdays.
