# What is WeGo Ride?

For organizations that want to offer an alternative to driving to work or school, WeGo Ride is a sponsored program that allows employees or students to commute at a reduced fare using public transit around the region.

## What are the benefits of WeGo Ride?

### For passengers:

- A stress-free commute avoiding traffic and parking stress
- Savings on car and gas expenses

### For you:

- A workforce and/or student body that arrives mentally prepared to start the day
- Savings in payroll taxes
- Reduction in parking costs
- Great recruiting tool

***Plus, all buses have WI-FI and plugins for easy phone charging, as well as cameras to ensure the safety of all passengers.***

***Improve Nashville's commuter experience while helping to reduce the city's carbon footprint. Relax and let WeGo do the driving.***

## WeGo Ride details

Once you establish your commitment to your students or employees, we'll help you integrate with QuickTicket. We offer a flexible annual program that provides unlimited rides for your entire workforce and/or student body, as well as a pay-per-swipe option that charges you only when trips are taken. Program pricing is customized to meet the needs of each partner.

- Purchase annual passes or pay-as-you-go to participate in one of the programs.
- No limits on card use, ride anytime/anywhere within our system.
- Training and easy to follow materials provided once you partner with us.
